

ENVIRONMENT FRIENDLY BUSINESS POLICY

I-Remit commits to manage and leverage its resources in a way that promotes a healthy and sustainable environment. It aims to ensure that its business practices and activities are “environment-friendly.”

The Company shall comply with all applicable environmental laws and regulations.

I-Remit aims to reduce its environmental footprint through energy conservation, responsible water use, recycling, among others.

The Company shall strive to identify and purchase environmentally-friendly supplies and services for all its business operations, when economically feasible. It shall aim to minimize pollution and waste, conserve energy and water, support renewable energy projects, buy environmentally-friendly products, and encourage environmentally-friendly transportation.

I-Remit shall implement health, safety, and sanitation programs and promote environmental awareness among its directors, officers, and employees.

The Company shall foster relationships with suppliers and contractors that have environmentally-friendly business practices.
